Bump Up Day will help students feel more confident and reduce worries going into the next grade level come August. Students will get to interact with their future teacher(s) and classmates.

### Where

Students will go to their next grade level teacher(s) to get acquainted with their upcoming teacher(s), peers, and classroom.

## End of the School Year Notes

Log in to Power School to ensure the "Student Forms" section is complete for your child(ren). If this is incomplete, you will not receive information from your child's new teacher in the fall.

Contact Melissa Peters to pay off any outstanding lunch balances. Returning students with positive account balances will roll over to next school year.

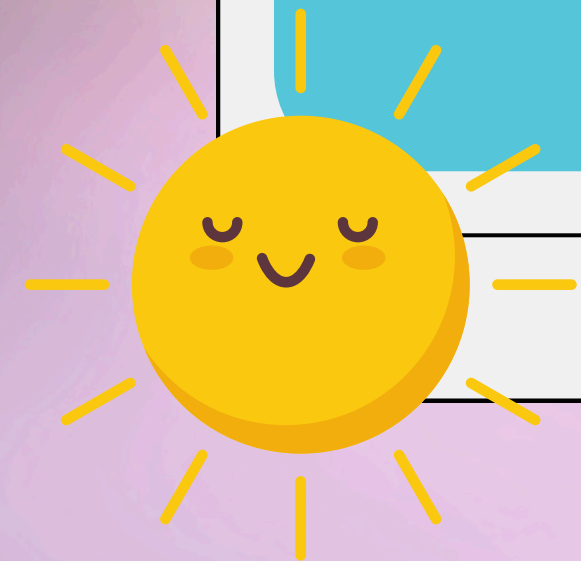

Student Medications will be sent home Thursday with students unless you have made prior pickup arrangements.

2023-24 NAM Yearbooks will be available in August.

Remember to log any school/parish volunteer hours on Track-It-Forward during the summer months to earn credit for the 2024-25 school year.
