The Pius X Bowling program—in cooperation with Catholic Youth Sports, School Principals, and Parish Pastors—will once again offer a Catholic Schools Bowling League for all students in grades 6, 7, and 8.

Our hope is to generate awareness for the Pius X bowling team while giving those interested a jump start for high school competition. Whether or not your student continues to bowl at the high school level, this league will allow them to meet other students throughout the diocese in a social and fun environment.

Ideally, we would like every school represented with at least one three-person team and multiple teams from each school are encouraged. Teams may consist of any combination of boys and girls in grades 6, 7, and 8. **You may sign up as a team or as an individual. If there are not enough bowlers from your school to form a team, we will combine students from different schools.** Due to our limited time on the lanes, we hope to avoid 4-person teams unless it’s unavoidable due to interest. If you know the other students that you would like to bowl with, please list ALL players on the form below.

Return this form with payment (checks payable to your school) **on or before Friday, February 7, 2025.** You will receive an e-mail confirming your child’s attendance on or before February 13. The last few years we have been at capacity, so please register early.

If you have any questions about the program, feel free to reach out. My contact information is listed below.

Sincerely,
