

North American M A R T Y R S Catholic School

Well, this is our last newsletter before Thanksgiving. It's a time to be grateful for all that we have: our families, our Catholic Faith, our experiences and our school. God has blessed us in so many ways. If you are able to give to the food pantry, please do. If you can give to the giving tree that the 5th graders put together for their Confirmation service project, please do. (Picture below right) Forefront in my mind is the Calendar Lottery Fundraiser. Our goal is to sell 1250, and we have only sold 420. Please ask your family members to help make this a success! We are purchasing a new Math textbook series next year and we want to be able to get the new playground, but the money has to come from somewhere. Your help is appreciated. In this season of thankfulness, let us be reflections of God's love and generosity. God bless, Sr. Janelle
